

Timely Tip for February Gardeners

February is a great time to gear up for Spring planting!

Treat your special Valentine this year with fresh, living flowers. America's favorite flower, the Rose, can be planted and enjoyed all year. Cool season flowers such as Pansies, Primrose or Cyclamen can also be planted in containers to give a burst of color to your landscape, patio or garden. And don't forget about indoor plants. Indoor houseplants can beautify your home and purify the air. Gloves, tools, wind chimes also make great gifts. The list is endless, let your imagination "grow green" as you peruse your local garden center!
